

Chedzoy Clarion

Issue 10 (October - December 2023)

Disappointed. After the last issue suggesting that we do something to make Chedzoy a place to be proud of, somebody vandalised the trees that had been planted by the volunteers at the Playing Field. It's not so much the financial cost, but the labour and endeavours of the people that try to make Chedzoy a place to be proud of. Every community needs its volunteers. We need people to help keep the Nature trail weeded & cut back, someone to look after the successful Telephone Library, Speedwatch volunteers, someone to serve on the Parish Council, a Chairperson for the Playing Field

Committee, somebody to paint the Phone Box Can you help? If everyone done a little bit, nobody would need to do a lot.

The advertisement is framed in green. At the top, it says "St Marys Church Chedzoy" in blue. Below that is a vibrant image of various fresh fruits and vegetables, including carrots, apples, pears, and leafy greens. Underneath the image, it says "HARVEST AUCTION" in blue. The date and time are written in large red letters: "MONDAY 2ND OCTOBER - 7:30PM". At the bottom, it says "Chedzoy Village Hall" in blue.

Anyone that would like to donate to this event can leave items at the hall after 4pm. Previous auctions have seen plenty of local produce, bananas, apples, pumpkins, butternut squash, beans, pears, not forgetting the Grand Pumpkin Auction. Probably a few cakes, chutneys and perhaps some local home-made wine. Raffle also available and the Bar will be open. Please support local Auctioneer Mr Ray Triggol and make his life easier by putting in plenty of bids. Light refreshments to finish up with.

Best of Friends *by Will-o-Green*

Two friends met on a Friday,
As they would normally do.
One looked downhearted and crestfallen.
His friend asked, "What is the problem with you?"

"My wife and I have drifted apart,
That is not how I want it to be.
Would you have advice that may help,
To bring back contentment to me?"

FRIENDS ADVICE

"Go home to the wife with flowers,
Engage her in a passionate embrace.
Be gentle with the encounter,
To put the smile back on her face."

They met up the following Friday,
To chat about the helpful advice.
"You are a friend indeed to a friend in need,
Now my world is a lot brighter, with spice.

I am most grateful for your advice and friendship,
And no longer feel alone.
I would just like to congratulate you,
On having such a beautiful HOME!!!!"

Rector's Ramblings for September

What a strange time we've been having with our weather since the last edition of the Clarion! I think most of us who have been brought up in this country are used to the way weather can change almost from moment to moment. As I am writing the rain is pouring down and we have hailstones forecast in North Curry. Fortunately, we have managed to get the roof of St Mary's repaired and waterproofed for the winter - the work has wiped out most of our financial reserves, but it is so important that we preserve our beautiful church. It is not just a building, it is a symbol of a thriving community that cares about its members. Its tower is prominent and visible from most parts of the village and when Lesley and her team ring the bells the sound is so joyful.

It has been my wish since I have returned to the Benefice for the church to become better known in the community. For it to be used as a focal point for people who want to come and sit in its haven of peace - some even find God there! I hope also that people will feel that it is an alternative community to which all are welcome, whether they have a Christian faith or not. I want us to be a place where everyone feels they can come with no strings attached and that as the Chedzoy community, we can be united in our quest to keep our village alive.

During September we had two weddings. The church was full of people from near and far. Oh, how I wish we could offer them a comfort break in the church! Having fixed the roof we have some wonderful ideas to raise funds to do just that. To add facilities that will enable us to make more use of the building and when the time comes the whole village will be involved in planning how our church might look in the future.

We will be welcoming the children from Kingsmoor School between now and Christmas. Twenty children from Chedzoy attend the school and we want them to be part of our church too. Our children are the future of our village, and they bring light and newness to our community. All children are welcome at our services, and we have begun a children's corner with books and toys so that they can play throughout the service.

Harvest festival will soon be upon us, swiftly followed by All Souls and Remembrance. We then have the beginning of December and Advent leading up to Christmas. There will be lots going on in the Church so please watch our website and noticeboard.

Come along and give us a try – you are so welcome to YOUR church! May I wish you all a peaceful time in the run up to Christmas and may God pour his blessings on you and your families.

CHEDZOY PLAYING FIELD COMMITTEE

by Amy Kimber on behalf of the Committee

WE NEED YOU

We are back after a break over the summer holidays and looking for more members (and a new chairperson!) to help with fundraising and the running of the playing field. We welcome all help – be it donations for raffles, helping out at events, picking up any litter you see in the Playing Field or becoming a member of the committee itself. You can give as little or as much of your time as you can.... Every little helps!!!

Chedzoy is such a lovely village and we have a fantastic community. You may not know but the Playing Field Committee is a charity and the maintenance of the field and the committee itself is run by/with the generosity of volunteers, fundraising and donations.

The Playing Field is a wonderful resource and space in the village that so many benefit from but if we don't support it then **we run the risk of losing it.**

THANK YOU'S

BRAMBLES & TREES

Thank you to everyone who helped to clear back the huge amount of the brambles along the fence line in the Playing Field getting ready for it to be replaced. A gruelling task indeed and we are most grateful.

We are also really sad to say that recently the Playing Field fell victim to some senseless vandalism. Luckily the trees (including the Coronation Tree) that were ripped out were located and thank you to those who helped salvage and replant them.

~Please let us know~ if anyone sees any vandalism or damage to anything at the Playing Field. Hopefully this won't happen again though.

ANNUAL FLOWER & PRODUCE SHOW

A massive thank you to everyone who helped organise, put together and run the Annual Flower & Produce Show. Once again it was a fantastic day and enjoyed by all who went. Thank you as well to everyone who supported the Playing Field buying raffle tickets, glamming it up with glitter/flower crowns and those who gave their time to help run the games, sell tickets etc. We raised £466.11 for the Playing Field.

MAINTENANCE

Thank you to the Parish Council for their support regarding the Grass Cutting. Please bear with us, this is the first year with a new contractor, so we are working with them to get the frequency right. There has also been an issue with the Zip-wire, but we hope by the time you are reading this newsletter that will be fixed, along with a few other bits of wear and tear, and ready for action!!!

UPCOMING EVENTS

FIXING THE FENCE – Date TBC

We are making a shout out to all who can help us fix the fence. We will be removing the old fence and putting up a new one ourselves to help keep costs down. Whilst doing this the park will be closed. We are hoping to do this before October Half term and will put a date and more information on the Chedzoy Facebook pages closer to the time but if you are free, and able to support, please let one of the committee members know.

HALLOWEEN

We will be selling refreshments at the Village Hall. You can stop by whilst on your trick or treat rounds, eat there or even grab it as a takeaway. Hope to see you there.

Flower Show Report by Sarah Gower (Show Secretary)

Hi Villagers

Thank you all so much for supporting this year's Chedzoy Flower Show. Although the weather wasn't very kind to us on the day, I think everyone enjoyed the afternoon, tucking into those lovely teas and cakes, or a delicious ice-cream.

We had over 350 entries, which is excellent for such a small village, with all ages taking part. The judges commented on the entries, saying that they were of a very high standard, and we should be very proud of our efforts. So well done all.

The results of the Cups are as follows:

The Clark Challenge Cup for section 1,2 &4 -Tracey Ford
The Egg Cup Section 3 -Tracey Ford
The Wine Shield Section 12 - Kerry Evert
The Committee Cup Section 5 & 6 - Kerry Evert
The Handicraft Cup Section 11 - Carole Edmonds & Mary Clothier
The Children's Cup - Jack Flint
The Childrens Flower Cup William Clothier
The Art Cup (Kindly Donated by Don Johnson) - Karen Paige
The Photography Cup Section 9 - Andrea Griffiths
The Gale Cup best under 16 photo - Thomas Clothier
Best in Show - Marian Dinard Patchwork quilt
Reserve Best in Show - Kerry Evert
Best Children's entry - Jack Flint
The Teresa Davey Cup for Most Points Overall - Mary Clothier

Congratulations to Rodney Young for winning that beautiful Mulberry Handbag. Thank you, Mulberry, for your prize, it was far beyond our expectations, so thank you. Thank you for all your raffle donations, and all the lovely prizes so kindly donated to go with all the cups.

A big thank you to Don Johnson for donating the new Art Cup, also thank you Martin Chandler for putting up with a lot of demanding women on the Friday. Also, from me a big thank you to all those who helped on the day and the days leading up to the show.

Date for next year's show will be a little later so please keep a note of it.

3rd August 2024

Want to start or return to running? Why not join the Chedzoy Runners Group. We are a friendly and informal running group. We have all abilities, speeds, distances, and knowledge. We are a group who love to support each other in a non-judgement way & run together when possible. There is a weekly Friday morning running group. However, most days you can find someone running, that you can tag along with. There is no fee. No commitment. Simply join the Facebook (FB) group and attend when you can, bring a friend if you want to. We currently have 23 members on our FB group; some run weekly or occasionally between work & life commitments, some we see a couple times of the year (including the Christmas advent run) and some are running fanatics & quite frankly a little bonkers. We really are a group that appreciate life ebbs & flows and encourage each other to try to keep active when we can. If you are interested, please speak to Mary Clothier or any one of the Chedzoy Runners group to find out more.

Chedzoy Christmas Advent Window 2023

It will be soon time to think about Christmas; including planning the **Chedzoy Advent Window Displays**. For those that don't know; residents decorate a window during advent.

We are looking for people to decorate a window of their house, that can be seen by the road/path. You will be asked to reveal it before the morning of your given date. It can be any Christmas design you like and can be as simple or creative as you like. Ideally, your display needs to be kept in situ until 24th December to allow everyone in the village to enjoy it. For example, if you are given the 5th December, your window display will be in place by then and kept visible until the 24th December.

There will be a map produced with all the locations of the advent windows, as well as an activity sheet for children. So, fancy being creative and bringing some light and Christmas joy to Chedzoy in the run up to Christmas? Let Mary Clothier (Stoneleigh, Front Street) know, including any preferences on your advent date/number.

Guess who won the Competition for the Biggest Pumpkin at Bridgwater's Annual Ploughing Match. Well done Deon Everett!!! Not only that, but he managed 4th place in his Ploughing Class.

Snippets from the Minutes

Below are a few extracts from recent Parish Council Meetings. Full story can be found at chedzoyparishcouncil.gov.uk

Community 20mph Speed Limits

At a cost of over £15,000 to the residents of Chedzoy, it was deemed not to progress with a scheme.

Footpath Officer's Report

It was asked if footpath walkers could take with them, secateurs to cut back brambles and intruding growth from the hedges in order that he can concentrate on ground level vegetation clearance.

Parish Council Vacancy

Following the resignation of Karen Medland, there is a vacancy to serve on the Parish Council. *(Anyone know of a person that would like to join the Parish Council. Please let Chris Fry, Clerk, know. His contact details on the back sheet).*

Frequency of Grass Verge Cutting

Class 'C' and unclassified roads were only programmed for one cut per year.

Village Design Statement

The first meeting of the sub committee was held to discuss the way forward. *(Have you any ideas as to how you would like to see Chedzoy grow in the future. Please let a Parish Councillor know)*

Hacking & Cloning

Hacking was suffered recently by the Clerk. In order to reduce the risk of councillors' email addresses being hacked in the future, it was suggested all councillor email addresses should be deleted from public view both on the web and on the notice board, as hardly any emails are sent directly to councillors, and any relevant information received by the Clerk, could be forwarded to the councillors as necessary.

Whilst talking Parish matters did you know that there are several allotments that the Parish Council are responsible for. They are all taken at the moment, but if interested, why not put your name down on the waiting list. Chris Fry is the contact.

Whilst talking allotments, did you realise that the gate (to the right of Wednesday Cottage, Higher Road) leading to the allotments is NOT a public right of way and the entrance should only be used by allotment holders.

Competition Time

No takers on the last caption competition. Perhaps better luck with this one. What do you think these stalwarts of the village are thinking or discussing?

Box of chocolates for the winning caption. Entries to Rodney Young by Friday 27th October. Winner announced at Pop In on Friday 3rd November.

Chedzoy Runners Bridgwater Half, 10km & 5km by William Clothier, aged 14.

On Sunday 3rd September I did the annual Chedzoy 5km fun run with my mum and dad, like I have done in previous years. However, this year I joined Chedzoy Runners, who were very friendly.

The weather was sunny and humid, unlike the rest of the summer holidays. I went early so that I could watch and cheered the half marathon and 10km runners start, which included some of the Chedzoy Running Group.

Graham Bentley was running the 10km for Love Musgrove.

<https://www.justgiving.com/fundraising/graham-bentley3>

Luke Arthurton ran the half marathon, in training for the London Marathon 2024. <https://www.justgiving.com/fundraising/luke-arthurton>

Please do donate to both worthy charities if you can.

It was great to see how well everyone did. I was surprised how hot it was. Thank you to all the volunteers, who cheered us on.

How's the little grey cells getting on? Fancy a Quiz. At the Hall on

Saturday 21st October start 7.30 (day after the Whist Drive)

Don't worry just turn up on the night and for £2 per person we will try and fit you in somewhere. Scratch teams have been known to win in the past. I am hoping that last year's winners, Front Street's Finest, will be defending the trophy they won last year. £20 first prize. Raffle & Bar available just to help concentration. In aid of the Church.

Belfry News by the Tower Captain

We have a new carpet! The carpet was donated by Terry Oxman and his late wife Eileen. Sadly, Eileen passed away before she could see photos of the finished belfry. We are very grateful to Terry for fitting the carpet despite his recent loss.

We would like to welcome Philippa and Keith to the Chedzoy team. Unfortunately, Keith has had a knee replacement so we wish him a quick recovery hoping he will be able to climb the steps to the belfry again soon. Philippa has made excellent progress and is already ringing call changes and her first method.

We would still welcome anyone who is interested in learning the art of ringing. Just pop along on a Tuesday night at 7pm and have a watch when we are actually practising.

NEWS FROM ST MARY'S CHURCH, CHEDZOY by Carole Edmunds, Church Treasurer

The year is speeding by, and we have a lot of Special Services and Events planned. The best way to keep up to date is to save the church's website in your favourites – www.achurchnearyou.com/church/11212

Sunday 1st October 11.30 am – our Harvest Festival at St Mary's. During this Service of worship and thanksgiving, harvest gifts can be brought to the church. But if you are too shy to come to the front, harvest gifts can be brought in at any time the church is open – usually from 8.30 am to 5.00 pm daily. Our service will be followed by refreshments.

Monday 2nd October 7.30 pm – Chedzoy Village Hall is pleased to host the annual Auction of Produce. The PCC is most grateful for the support of all the village for this which is a most vital fundraiser, with the money raised going directly towards meeting our running costs and keeping the building open. Join us for an evening of lively bidding for local and not so local produce. Harvest gifts can be brought to the Auction especially if they are perishable. Bar and Raffle.

Saturday 14th October 7.30 pm at Chedzoy Village Hall – Harvest Supper. Tickets will be available soon @ £12 for a wonderful 3 course feast.

Sunday 29th October 10.30 am – please join us and our friends at St Mary's Church, Westonzoyland for a United Benefice Service of Holy Communion.

If you have the occasional hour or so to spare, would you consider joining the church Flower Rota? This is open to anyone, even complete novices, since there is often very little to do; just replace any blooms past their best. The flowers can be home grown or an inexpensive supermarket bunch and there is plenty of foliage in the church yard to fill any gaps. Please let me know if you can help.

Finally, and on the subject of finance – the church insurers, Ecclesiastical, are offering £130 to your nominated church for any new home insurance policy that is taken out with them. This could be worth a call and St Mary's Chedzoy would be most grateful for your nomination.

See www.ecclesiastical.com/home-insurance/trust130

Contributed Anonymously –

If you are into online dating, the odds are good. Trouble is, the goods are odd!!

Hello, I'm Ashley Chorley and thanks for reading this - I'm writing because I am hoping to appeal to fellow villagers to help me fundraise for a volunteering trip to Uganda that I am undertaking with my grandparents in November. They have been supporting two schools for several years and have seen the difference volunteering (and money!) can make to the lives of the orphans in the care of Aloysious and his wife.

Adonai provides children left vulnerable by the HIV/AIDS crisis and civil unrest with a home, education, and medical care in rural Uganda.

Whilst there I will distribute clothes, footwear, school supplies and footballs to children in the care of Adonai. I will also be involved in building projects, fixing roofs, making chairs and tables, as well as general maintenance. If you would like to know more, check out these two websites <https://www.adonaicentre.org/> and <https://www.adonaiuk.org/about-us/>. I'm hoping to raise money to help cover half of my trip expenses, as well as for buying supplies for the children. If this is something you would be able to help with that would be amazing! Any financial donation of any size would be greatly appreciated.

There are also other ways you can help me: by gathering any **unwanted football or rugby shirts** (only the modern thin styles – it's too hot there otherwise!) in adult or child sizes – they are such a source of pleasure for the children and center's adult; by purchasing **footballs** which I would take deflated and distribute; and finally just by spreading the word to family and friends of the work of this small but powerful center.

My gramps is the one brick laying without a shirt on, and this is my grandma painting.

I can collect any donations myself, or I live at New Orchard, Front Street. My mum and I would happily try to answer any questions you may have. Thank you for taking the time to read this and thank you in advance for anything donated, it will be greatly appreciated
