

## Chedzoy Clarion

Issue 9 (July- September 2023)

Where's the year gone? Already in the last 3 months we have celebrated Pop In's Tenth Birthday, Whist Drive, Church Lunch, The Coronation, Eurovision Party, 3 Bank Holidays in May, and we haven't reached July yet with the event of the year, The Annual Flower and Produce Show (on 22<sup>nd</sup> July). With all this fine weather, why not stroll the Nature Trail, perhaps help the volunteers by doing a bit of weeding on your way round. Or if out for a walk, take a small rubbish bag with you and fill it up with discarded litter.

LET'S MAKE CHEDZOY A PLACE TO BE PROUD OF!!!!

### Pop In Donations

Yet more money from the Pop In Coffers to good causes.

£1000 to the NSPCC via Mary and Matt Clothier running in the London Marathon (after saying "Never Again" after the last time!)

£1000 to the Church to help repair the roof.

Well done the Pop In Patrons for your very valuable support in being able to give so much money to good causes. Why not join them the first Friday of every month at the Village Hall, 7pm onwards

If you have a charity or good cause that is dear to your heart, please see Martin Chandler for a donation.

**Cup of Tea** -by WILL-O-GREEN

To my surprise this morning, I awoke to another day,  
To see what it had to offer, and be there, come what may.

Sandra was there to greet me, to confuse me, with words she would begin,  
“Would you like a bowl of cereals or a cup of tea with milk and sugar in?”

Now this request was not unusual for a man that chases blondes in his dreams,  
To make an early morning decision is harder than it seems.

I remember it well, the decision that I made, “No cereal, just a cup of tea” was my reply,  
Then drifted away with the fairies, to my dreams in the sky.

I awoke with a shock for there, next to the clock, stood a bowl of milk and cereal,  
I may lose the plot, rather a lot, but this was “really” unreal.

I am only Sandra’s husband, just an ordinary thinking man,  
If I ask for a cheese sandwich, I get toast and jam.

I need help with my delusions, or is it really me?  
That can’t tell the difference between jam, cheese and tea.

To wake up to the sunrise and see what the day has in store,  
I am definitely confused, and uncertain that’s what wives keep us for

They really test and do their best to remain nature’s great mystery,  
But I still “really” would enjoy a cheese sandwich and a CUP OF TEA.

When dusk sinks over the horizon and we rest our head in bliss  
We think of her tomorrow’s torments, and she seals them with a kiss.

That Goodnight kiss is the difference between toast, jam and cheese.  
No cereals in the morning, just a nice CUP OF TEA please

## **Rector's Ramblings for July**

What an amazing few months it has been. Easter was lovely and we had a record number of people at our services. On Good Friday we joined together at St Marys for the Good Friday Liturgy – the atmosphere was wonderful and so good to get together with our sister church. No sooner was Easter over than we began preparations for the Coronation weekend. I don't know about you, but I sat in front of every minute of that historic event – especially as the King was attended by our own Bishop Michael!

The service to commemorate the coronation was a united benefice service with St Mary's Westonzoyland and again, the church was well filled. So many people worked together to make the service special and I am grateful to them all.

We are now preparing for our first Benefice fete since I returned to serve here. It will take place on Saturday 15<sup>th</sup> July in the Somerset Young Farmers Club grounds in Westonzoyland. This is also where the new Benefice office is.

The fete will be opened by renowned author Damien Boyd who has set stories in both Westonzoyland and Chedzoy and we are delighted he has agreed to come along and support us. Grand Draw tickets are being sold as this issue of the Clarion goes to press. We have some amazing prizes including a first prize of £100 cash. It is a traditional fete and Don Johnson is lending us his pillory so anyone who misbehaves will pay a penalty of having wet sponges thrown at them. The Chalice Morris Dancers will be there and there will be cream teas available in the old School Hall.

Do please come along and support your churches – not just by spending a few pounds but by joining together as a community to get to know each other. Everyone is welcome at our fete and in our churches. You don't have to be a regular, just come along and give us a try – you will receive a very warm welcome.

Speaking of church. Work will begin soon to make the church weatherproof for the winter, and once we have paid for that we will be working on a grant application to make improvements in the church, and to restore it to its former glory. The building is so important to many people and we don't want it to fall into disrepair.

May I wish you all a happy and restful summer and may God pour his blessings on you and your families.

Jane

## **Amy's Recipe** *by Amy Kimber*

### Gin & Tonic Drizzle Cakes

Makes 1 loaf cake or 24 Cup Cakes

For the Cakes

175g Self Raising Flour

175g Castor Sugar

3 Eggs

175g Butter

2 tbsp Gin

1 tsp Baking Powder

1 Lime, zest only

For the Drizzle

125g Caster Sugar

125ml Tonic Water (we prefer the lime flavoured one)

3 tbsp Gin

For the Icing

2 tbsp Gin

100g Icing Sugar

A few drops of water to mix to the consistency you want

Preheat the oven to 180C, grease and line either a loaf tin with baking paper or a cupcake tin with cases.

In a large bowl beat together the butter and sugar until fluffy and then gradually beat in the eggs. Mix in the flour, baking powder, gin and lime zest. Spoon into the cases and bake – approx. 50 mins for a loaf cake or 15-20 mins for cupcakes – until a skewer comes out clean.

Whilst the cake/s are baking make the drizzle by gently heat the caster sugar and tonic water in a small pan, stirring until the sugar dissolves, then boil for 1 mins. Put 3 tbsp of the syrup into a small bowl and mix with 3 tbsp of gin and put to one side.

As soon as the cake/s come out of the oven make some small holes in them with a skewer and drizzle over the syrup mixture. Leave to cool on a wire rack.

For the icing mix the ingredients all together and drizzle over the cake/s sparingly.

It's back. The caption Competition. What do you think these two doyens of Chedzoy are talking about? Entries to Rodney by Friday 25<sup>th</sup> August 2023. Why must I prove that I am me to pay my bills over the phone? Do strangers call and offer to pay my bills? And if so, why don't you let them?

They are called "Man Hours", because a woman would have it done in 20 minutes!!! (This one was contributed by a woman)

## **Chedzoy Playing Field** *(by Kerry Evert)*

This May we held our AGM, and are saying a fond farewell to Emma Clark – Thank you Emma for carrying our creativity flag 😊 we hope you won't be a stranger. We also welcomed 3 new members which was wonderful, Lucy Smith, Gemma Mason and Laura Ford. We even had Josh Mason join us as an honorary member for the evening, to help us get through our yummy biscuits. Emma Triggol will be staying on as treasurer for another year, Cat Cowlin who will be staying on as secretary, and Amy Kimber has taken on the role of vice chair, thank you ladies! I will be handing over the chair's baton from 1 September, but more about that later in the year.

I'd like to say a personal thank you to all the committee members who come along to the meetings and fundraising events, it makes our meetings and events such fun that it never feels like a chore and I always go home feeling recharged, like I've had a night out with friends.

Our focus this year is still to replace the fence to the left-hand side of the field, we will not be able to have it done professionally, as we simply can't raise that amount of cash, so we will be pulling down the old fence and putting a new one up ourselves over the summer – with thanks to our long-suffering husbands too! Keep an eye on the Chedzoy Villager's Facebook page for our cry for help.

Thank you to Dom and Megan Marshall who donated a beautiful oak tree to the village in honour of the coronation, I look forward to enjoying it's shade in years to come. We had a very successful fundraising evening on Saturday 6 May supplying BBQ food and cake to those who joined the Village Hall Coronation Pop In event. We raised over £300 that evening, so thank you for coming along and supporting us!

This money will need to be spent on a repair to the zipwire, which was only replaced last year, as it appears to require another new wire 😞. We would like to thank the member of the public who reported this to us allowing us to take swift action to take the zip wire out of action and prevent anyone getting hurt. Most of us on the Playing Field Committee don't have small children anymore, so we don't tend to spend as much time at the playing field as we used to, so this was greatly appreciated!

The playing field maintenance is quite a task, and our long-standing grass carer, Mr Clapp retired earlier this year. We currently have 2 local groups

involved with different aspects of maintenance of the grass. Stepping Out, a local charitable organisation who aim to help young adults with learning disabilities to learn skills and lead a fulfilling life; manage the play equipment area, the bike track and around the willow dome. You may notice that we have decided to make some wild areas with paths cut out to aid imaginative play and help the environment. We hope that the pollinators enjoy it as much as the children! Another local lad, does the main area mowing with a tractor.

**At the village Hall Flower and Produce Show, we will be doing a raffle again, so any donations would be appreciated (drop them off with any committee member in advance or bring them to the hall with your entries in the morning or afternoon of 22 July). Many thanks for your contributions and for buying some tickets, last year this was very successful. Having learnt from last year, we have decided not to do live calls of numbers as it was difficult to be heard, so will stick tickets to prizes, if you don't intend being at the evening event, please write your details on the back of the tickets, anything not collected on the night will be photographed and put on the villager Facebook page for collection at a later date. We will also have some fun, sparkly things to accessorise yourself with for the evening event**

As always, thank you to our willing volunteers, we couldn't keep the Playing Field open without the hard work from the committee – if there is anyone out there who would like to come along and join the committee or want more information, please contact Kerry (details above) we'd love to see you 😊

I have my own built in Alarm Clock. It's called a Bladder. And it doesn't have a snooze button.

I read the Instruction Manual and it said I needed a large screwdriver. So I got out the Vodka and Orange Juice and after that, everything is a mystery.

This guy who was sitting next to me on the bus pulled out a photo of his wife and said "She's beautiful, isn't she?" I said, "If you think she's beautiful, you should see my Missus mate." He said, "Why, is she a stunner?"  
I said, "No, she's an optician!"

**Chedzoy community making a difference to young lives** (by Mat & Mary Clothier)

‘Every childhood is worth fighting for’.

We just want to say a massive thank you to everyone who sponsored us to run the London Marathon this year; it meant the world to us and will make such a difference to the NSPCC and the lives of young children. We smashed our target and raised £3751. A special thank you to ‘Pop in’ for a pint for their generous donation of £1000. Keep drinking and socialising Chedzoy. 

For those that likes the stats, here are examples of where the sponsorship money goes:

\*In the average primary school class, at least 2 children have suffered abuse or neglect.

£580 pays for ‘Speak out, Stay safe’ programme to visit a whole primary school and speak with every 5-11year old.

\*On average 2 children call Childline a minute.

£10 helps answer calls from children desperate for help to stop self-harming.

£20 trains a Childline volunteer counsellors to respond to children who are feeling suicidal.

£50 pays for a Childline supervisor to support volunteer counsellors when a child is in immediate danger.

### **ST MARY'S CHURCH YARD** by *Carole Edmunds*

If you take a walk through the church yard you may have noticed a circle of delicate little purple flowers in the round flower bed just inside the the gate. Nothing had been planted; the plants appeared and flower heads formed as the Spring bulbs faded, so I left them to grow. They are corn-cockle - once a common weed in fields until the 1950s but now rarely seen.

With most wheat being sown in autumn and harvested before corn-cockle flowers appear or set seed and the cereal is better cleaned, it was thought to be extinct in the UK as recently as 2014, when a single specimen was found in Sunderland by the National Trust. The long-dormant seeds in the church yard were most likely triggered into germination by last summer's heat, followed by extreme cold and general disturbing of the soil when planting bulbs and polyanthus in the border.

Enjoy them but do not touch! In common with many popular garden plants, experts tell us that all parts of the corn-cockle are poisonous. It has come in for some bad press when BBC Countryfile controversially included the seeds in their wildflower mix. The intension is to leave the plants to flower even though their one metre height means they tower over the other low-level bedding and are blown untidily about. The seeds will be collected in due course for sowing with other wild flowers.

Thank you so much to those who volunteered their time to help, the village hall and Parish Council for supporting the event. Everyone seemed to have had a great time.

## **Snippets from the Minutes**

Below are a few extracts from recent Parish Council Meetings. Full story can be found at [chedzoyparishcouncil.gov.uk](http://chedzoyparishcouncil.gov.uk)

### **Chedzoy Climate Change Project**

Over 2000 trees have been planted in Chedzoy

### **Bus Subsidy.**

This has been extended at the £2 maximum single fare until the end of October 2023 and thereafter at £2.50 until October 2024. There is a push by the several bus companies operating throughout Somerset to introduce a uniform season ticket scheme.

### **Westonzoyland Road.**

There are confirmed plans to install a new speed limit to replace the national one currently in place.

### **Chedzoy Lane/A39 cycle way entrance.**

This is scheduled for completion by Autumn 2023. The appreciation of the Parish Council was expressed to Carole Edmunds for her work in highlighting this issue.

### **Pot holes.**

£4.8 million has been ring-fenced specifically to improve the pothole problem in Somerset.

### **Allotments –**

Management and letting procedures. It was generally felt matters regarding this needed reviewing and it was decided to take up the offer from a tenant to give the councillors a guided tour of the allotment site, and the Clerk was asked to arrange for this to take place.

### **Budget projected overspend 2022/2023.**

As at month nine the deficit remained at £24.6 million. At year end any overspend will have to be covered from reserves.

The Parish Council is very keen to hear from Residents relating to a Village Design Statement. If you have any views at all, about the future development of Chedzoy, please let a Parish Councillor know. Without a Village Design Statement, it will be very difficult to oppose any future development. So, if you think we should have more social housing, more heavy industrial units, better bus services, access to NHS services in the village or even perhaps a village shop, please let your local Councillor know. If you don't tell us, we don't know what you are thinking. If we don't get in early, it might be too late to influence any planning decisions in the future.

## EUROVISION

Something new for the Village. Eurovision hit the West's City of Culture (Chedzoy!) and what a night it was. Participants were allocated countries that were taking part. They were then challenged to not only attend in that country's National Dress, (or some sort of attire where they could be identified as supporting that country) but also supply some food associated with their country.

Boy, not only were there some really awesome costumes but those Chillies were extra spicy!!!

Prizes for Best Costumes, Raffle and donations meant that £564 was handed over to UNICEF for Ukraine.

Well done to Caroline Litchfield for coming up with an original idea. Helped by Lloyd, Lesley H, Debbie and others, this was another event that might now become a regular event in Chedzoy's Social Calendar. Below are the Prize Winners
